Currently studying journalism and english in Lille, I wish to become a photojournalist. I am particularly interested in politics and anything related to society, as I have an eye for human emotions and interactions. I am also drawn to sport photography. I am self-taught and joined the APJ training course in 2020 in order to integrate the professional world. I will be living in Valencia (Spain) until mid-June.

AT THE HEART OF THE FALLAS OF VALENCIA

FLOWER OFFERINGS UNDER THE RAIN (FALLAS 2022)

FRENCH BOCCIA FLIES TO TOKYO

A WEEK IN THE ALPS MOUNTAINS
